

## **PRESSURE POT MODEL: PM-100 (LIGHT DUTY)**

### **Specification of PM-100 Pressure Pot Sand Blasting Machine**

#### **Air Consumption**

- 4-7 Bar at 40 CFM
- Air Compressor 10 HP

**Abrasive Capacity : 40 Liters**

**Sandblast Host : 1/2 " x 5 m.**

**Blast Nozzle : Boron Carbide No.6**

**Air Filter with Auto Drain**

**Air Hose : 1/2 " x 5 m.**

**Plastic Cone : 6 "**

**Steel Thickness 3 mm.**

#### **THE COMPLETE RANGE OF SURFACE FINISHING PRODUCT**

Kepler International produces premium quality machines including Blasting System and designed Automatic Surface Finishing System that's specifically for all surface preparation industry.
